CHILDREN'S DIVISION SPRING PRODUCTION UPDATE #1

As we enter the heart of our second semester, some of the time spent during your student's class will begin to focus increasingly on Spring Production. This is the first of a series of updates you'll receive including essential information to ensure you and your student(s) are prepared for the big day.

IMPORTANT DATES

Performance Date:	Saturday, May 18, 2019
Ticket On Sale Date:	Monday, March 11, 2019
Costume Pick Up Week:	April 22 – 28, 2019

PERFORMANCE INFORMATION

Cincinnati Ballet's Otto M. Budig Academy Presents:

TOYLAND

2019 Children's Division Spring Production

Performance Date:	Saturday, May 18, 2019
Performance Times:	11:00 am & 3:00 pm
Performance Location:	Matthews Auditorium @ Princeton High School 150 Viking Way Cincinnati, OH 45246

Because of the number of young performers in Spring Production, we divide our Children's Division classes between two performances, one at 11:00 am and one at 3:00 pm. In one of the documents to follow, you'll find a **list designating which classes are performing during each performance time. A mandatory rehearsal precedes each performance so your student has opportunity to be comfortable on stage prior to the performance.** Families should anticipate students needing to be at the theater at least 2.5 hours prior to their performance time.

TICKET INFORMATION

Ticket On Sale Date:	Monday, March 11, 2019
-----------------------------	------------------------

Spring Production tickets will go on sale Monday, March 11, 2019. **All Academy families will receive an email on March 11 that includes a link to purchase tickets.** Make sure you have the list mentioned above handy so you know which performance your student is in. Tickets may be purchased online, in person at the Cincinnati Ballet Box Office or by phone. Further information will come your way on Monday, March 11.

COSTUME INFORMATION

Costumes will be distributed during your student's class the week of April 22 – 28. During that week, please make sure of the following:

- A parent or guardian picks your student up from class. Costumes will be given to parents or guardians ONLY, and a signature will be required designating the costume has been received.

- Should a parent or guardian be unable to pick up their student's costume during their class time, they will need to make a private appointment to do so.

We don't mean to be overly strict. It's just really important these costumes make it into the right hands. All students are required to have their costume in order to participate in Spring Production, and should costumes not make it home, there's not sufficient time to order another. Thank you so much for your cooperation and understanding!

A Note on Sizing: Once these costumes are received, they are yours to keep. We do our best to ensure we order the proper size for your student based on the measurements provided. Because the costumes come in standard sizes and because students grow quickly, some costumes may need to be altered slightly to ensure proper fit. Families should feel free to make minor alterations to strap length and other areas to ensure proper fit as long as the look of the costume is not altered.

ATTENDANCE POLICY

Because your students are learning their Spring Production pieces during their class time, class attendance is critical to their success. **Any student who has more than three non-weather or illness-related absences may not be able to perform in Spring Production.** Communication is key. Please let us know if your student will have to miss a class by calling the Ballet Center Front Desk at 513.621.5219 or emailing cbacademy@cballet.org.

CLASS GROUP COLORS

Each Children's Division class has a group color so we can properly identify each class, as many teachers have more than one class of students. When at the theater, we have found it easier for students to remember their class color rather than remembering their teacher, class day and time. Instructors and staff will use these group colors frequently as we prepare for Spring Production. We would appreciate your support in helping your student remember their class color so they will be readily familiar with it by May 18. A list of group colors is included for your reference.

Our faculty and staff are eagerly awaiting the opportunity to share your students' success with family and loved ones this May. In the meantime, if you have any questions, please contact us at 513.562.1111 or cbacademy@cballet.org.
