

- The Academy Year consists of 36 weeks of instruction beginning the week of August 20, 2018 and concluding in mid-May. A detailed calendar will be provided with important dates and holiday breaks at a later date.
- Level 2 students are required to take two ballet classes per week and should enroll in one of the tracks designated below. Each track is equal in merit and consists of a technique class and a performance class, thus fulfilling the Level 2 curriculum requirements. During the first half of the year, the performance class runs as a regular technique class and then begins to focus on choreography for Spring Production beginning in January.
- Male students, please see Men's Division for additional offerings.
- All classes take place at the Cincinnati Ballet Center (1555 Central Parkway).
