

- The Academy academic year consists of 36 weeks of instruction beginning the week of August 21, 2017 and concluding in mid-May. A detailed calendar will be provided with important dates and holiday breaks at a later date.
- Level 6 students are required to take six ballet classes per week and should enroll in the course schedule designated below. The Level 6 course load consists of five technique classes, a multi-genre rotating class and a rehearsal and performance class, thus fulfilling the Level 6 curriculum requirements. The rehearsal and performance class may include rehearsals for Academy outreach performances, variations and/or preparation for Spring Production. Throughout the year, it may be combined with Level 5 and 7 students to create a performance ensemble representing the Academy's upper division students.
- Male students, please see Men's Division for additional offerings.
- All classes take place at the Cincinnati Ballet Center (1555 Central Parkway).
