

As a member of the Parents Association, you can elect your level of engagement to fit the needs and constraints of your family. To make your time volunteering meaningful and fulfilling to you, we have outlined areas of support you can select between based on personal preference. The categories are:

Academy Community Events: This entails event and décor set up, ushering, patron support or donation of specific items. The success of our events is contingent upon parent help and support!

Dance Dads Event Support: This category gives dads the opportunity to fulfill an important niche at the Academy by setting up and tearing down for events, all while supporting and bonding with your favorite dancer!

Hospitality: This is an opportunity to be a kind face welcoming parents, families and guests in a variety of different ways. This may include welcoming parents to Parent Observation week, helping pass out costumes, or acting as a host to guests of the Academy.

Marketing Ambassador: This encompasses representing the Academy and/or its programs at events, festivals and fairs or supporting distribution of materials in various neighborhoods – basically helping spread the word about the great things happening at the Academy!

Performance Support: This consists of support during rehearsals and backstage during productions. Our parent volunteers are absolutely instrumental to the success of our productions and get to play a vital role in mainstage fun!

We'd love to know how to connect you to your areas of interest! To indicate your preferences, please fill out our online Volunteer Form [HERE](#). This doesn't commit you to anything, it just gives us an idea of who is interested!
